Bee in the bedroom

There's a bee in my bedroom,  
my bedroom, my bedroom!

There's a bee in my bedroom!

Oh, what can I do?

*Follow me, follow me*

*Little bee, follow me.*

*Here's a little flower*

*Just for you and me!*

There's a bee in my bathroom,  
my bathroom, my bathroom!

There's a bee in my bathroom!

Oh, what can I do?

There's a bee in my kitchen,  
my kitchen, my kitchen!

There's a bee in my kitchen!

Oh, what can I do?

There's a bee in my garden,  
my garden, my garden!

There's a bee in my garden!

Oh... this is the place for you!
