Let's go to town

I'm walking into town

On a hot and sunny day.

I can see the playground,

Where the children play.

Let's go, let's go,

Lots to see and do!

Let's go, let's go,

Let's go, me and YOU!

I'm walking into town,

I'm going down the street,

I can see the sweet shop,

and all the lovely sweets!

I'm walking into town,

Looking left and right,

Ah, there is the toy shop!

Can I have a kite?
