The race show!

Welcome all, to the race.

Welcome to the show.

My toys are ready in their place.

One, two, three – let's go!

Look there's the black bike.

It's racing on my chair.

And there's the blue boat.

It's jumping on my bear!

Look, there's the red car.

It's driving on my bed.

And there's the green plane.

It's flying round my head!

Look, there's the white train.

It's going up my hand.

And there's the tractor.

It's driving in the sand!
