Birthday at the funfair

*It's my birthday, my birthday,
my birthday today!
Please take me to the funfair,
Let's have fun and play.*

Do you like the funfair?
Would you like to come?
We can go on all the rides,
And have lots of fun!

Do you like the big wheel?
I want to go up high.
Do you like the bumper cars?
I really want to try.

Do you like the ghost train?
It goes up and down.
Do you like the merry-go-round?
It goes round and round!
