

Audio script 62

Close your eyes. Imagine ... you're in your bedroom ...

Now take your favourite toy. ... What is it? ... What's your favourite toy?

Now imagine your favourite toy can play a sport ... What sport is it? Can your toy play football? ... Or can it play table tennis? ... Or can your favourite toy play baseball?

Look at your toy playing a sport ... and now open your eyes and draw a picture of your toy playing a sport.
