

Our World. Unit 5. Audio script 72.

Weather

Jenny: Hello. *Hello*. Now Barry is going for a walk. Here is your backpack,

Barry. Oh, it's raining! Where's Barry's umbrella? Ah, here it is. Oh, it's sunny now! Do you like the sun, Barry?

I love the sun but it's hot! Can you give me my cap and sunglasses, please?

Here you are, Barry. Oh no! It's so windy and it's getting cold. Where's Barry's jacket?

I'm sooo cold, brr!

And now it's snowing and it's very, very, very cold. Here you are, Barry!

Isn't he sweet? And now get your bear or your doll and dress them up!
