Unit 8, Listening and Speaking, exercises 1, 2 and 3

1

Danny: Hi Zoë! We're going to town later. Do you want to come?

Zoë: Hi Danny. Sorry. I can't. I have to pack.

Danny: You have to pack? Where are you going?

Zoë: I'm going to stay with my dad. He lives in Amsterdam and he promised me this time we're going to go on a boat trip. I can't wait.

Danny: Are you going with your brother?

Zoë: No, I'm flying alone.

Danny: Are you nervous?

Zoë: Not really.

2

Harry: There's nothing on TV. I don't know what to do.

Mum: Why don't we get everything ready for your trip to Canada? You're leaving on Friday, you know.

Harry: On Friday? I thought you said Saturday. Can we check again?

Mum: No, look at this! You have to be at the airport on Friday. You arrive in Montreal on Saturday.

Harry: Right! Tell me about the camp again.

Mum: You'll have French classes in the morning and then in the afternoons, you'll go sightseeing, do different sports or other activities. You'll spend Sundays with a family.

Harry: Cool!

3

Michelle: We have to be outside the school at half past seven for the school trip.

Rob: That's very early. What happens if I don't wake up in time?

Michelle: Don't worry! I'll give you a ring. The trip sounds brilliant. I can't wait. We're going to stay on a campsite near a lake, learn to catch fish and then cook it on the fire.

Rob: Why can't we stay in a youth hostel like last year?

Michelle: Come on! It'll be fun. We're also going to learn how to find wild food like fruit and mushrooms.

Rob: Now, that sounds dangerous to me. Next time, I'm going to suggest we stay in my uncle's B & B. It's just next to the beach.
